RECOMMENDED CASH AND SHARE OFFER

FOR

MARLOWE PLC (“MARLOWE”)

BY

**MITIE TREASURY MANAGEMENT LIMITED (“BIDCO”)
(a wholly owned subsidiary of Mitie Group PLC (“Mitie”))**

**to be effected by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

Results of Court Meeting and General Meeting and timetable update

On 5 June 2025, the boards of directors of Marlowe and Mitie announced that they had reached agreement on the terms and conditions of a recommended cash and shares acquisition pursuant to which Bidco will acquire the entire issued, and to be issued, ordinary share capital of Marlowe (the “**Acquisition**”). It is intended that the Acquisition will be effected by means of a scheme of arrangement under Part 26 of the Companies Act 2006 (the “**Scheme**”).

Marlowe published the circular relating to the Scheme on 23 June 2025 (the “**Scheme Document**”). Capitalised terms used but not defined in this announcement have the meanings given to them in the Scheme Document, unless the context requires otherwise.

Marlowe is pleased to announce that, at the Court Meeting and General Meeting held today in connection with the Acquisition:

- the requisite majority of Scheme Shareholders voted in favour of the Scheme at the Court Meeting; and
- the requisite majority of Marlowe Shareholders voted to pass the Special Resolution at the General Meeting to give effect to the Scheme by, among other things, amending the articles of association of Marlowe.

Full details of the resolutions passed are set out in the Notice of Court Meeting and Notice of General Meeting contained in Parts XIV and XV of the Scheme Document.

Voting results for the Court Meeting

The table below sets out the results of the poll at the Court Meeting. Each Scheme Shareholder present in person or by proxy was entitled to one vote per Scheme Share held at the Voting Record Time.

Voting results for the General Meeting

The table below sets out the results of the poll at the General Meeting. Each Marlowe Shareholder present in person or by proxy was entitled to one vote per Marlowe Share held at the Voting Record Time.

Effective Date and timetable

The outcome of today's meetings means that Conditions 2(a)(i) and 2(b)(i) (as set out in Section A of Part III of the Scheme Document) have been satisfied.

Mitie and Bidco are pleased to confirm that the Competition and Markets Authority has responded to a briefing paper in writing confirming that it requires no further information in relation to the Acquisition at this stage (and has not otherwise opened a merger investigation or implied that it is still investigating whether to open a merger investigation).

The Acquisition remains subject to the satisfaction or (if capable of waiver) waiver of the remaining Conditions set out in the Scheme Document, including the receipt of clearance of the Acquisition under the National Security and Investment Act 2021 (the “**NSI Act**”), the Court’s sanction of the Scheme at the Court Sanction Hearing and the delivery of a copy of the Court Order to the Registrar of Companies. This is expected to be received in late July 2025.

Notice to US Marlowe Shareholders

The Acquisition relates to the shares of a UK company and is being made by means of a scheme of arrangement provided for under Part 26 of the Companies Act. The Acquisition, implemented by way of a scheme of arrangement relates to the shares of a UK company that is a "foreign private issuer" as defined under Rule 3b-4 under the US Exchange Act and will be governed by English Law. Accordingly, the Scheme is exempt from the registration requirements under the US Securities Act and is not subject to the tender offer or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable to a scheme of arrangement involving a target company in England listed on AIM, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document) has been prepared in accordance with generally accepted accounting principles of the UK and thus may not be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States. Each Marlowe Shareholder is urged to consult its independent professional adviser immediately regarding the tax consequences to it (or to its beneficial owners) of the Acquisition.

The information contained in the Scheme Document has neither been approved nor disapproved by the US Securities and Exchange Commission (the "SEC") or any US state securities commissions. Neither the SEC, nor any state securities commission, has passed judgment upon the fairness or merits of the proposal described herein, nor determined the accuracy, completeness or adequacy of the information contained in the Scheme Document. Any representation to the contrary is a criminal offence in the United States.

Marlowe Shareholders (whether or not US Persons) who are affiliates (as defined in the US Securities Act) of Marlowe before, and/or become affiliates of Mitie, Bidco or Marlowe on or after, the implementation of the Scheme, will be subject to certain US transfer restrictions relating to the New Mitie Shares.

Marlowe and Bidco are both incorporated under the laws of England and Wales and Mitie is incorporated under the laws of Scotland. Some or all of the officers and directors of Marlowe, Bidco and Mitie respectively are residents of countries other than the United States. In addition, some of the assets of Marlowe, Bidco and Mitie are located outside the United States. As a result, it may be difficult for US Shareholders to enforce certain rights and claims arising in connection with the Acquisition under US federal securities laws or to enforce a judgement of a US court predicated upon the federal and state securities laws of the US, since Marlowe, Bidco and Mitie are located outside the US, and their officers and most of their directors reside outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against Marlowe, Bidco or Mitie or their respective officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of the US federal securities laws. It may not be possible to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. It also may be difficult to compel a non-US company or its affiliates to subject themselves to a US court's judgment.

For the securities issued under the Scheme to qualify for the exemption from registration provided by section 3(a)(10) of the US Securities Act, Marlowe will advise the Court that the Court's sanctioning of the Scheme will be relied on as approval of the Scheme following a hearing on the Scheme's fairness

to Marlowe shareholders, at which hearing all Marlowe shareholders are entitled to attend in person, or through counsel, to support or oppose the sanctioning of the Scheme and such hearing has been notified to all Marlowe shareholders.

If, in the future, Bidco implements the Acquisition by way of a Takeover Offer (subject to the consent of Marlowe and the Panel) and determines to extend the Takeover Offer into the US, the Acquisition will be made in compliance with applicable US laws and regulations, including the applicable US tender offer regulations and in each case including the applicable exemption therefrom. The settlement procedure with respect to the Acquisition will be consistent with UK practice, which differs from US domestic tender offer procedures in certain material respects, particularly with regard to the date of payment.

The New Mitie Shares issued under the Acquisition have not, and will not be, registered under the US Securities Act and will not be listed on any stock exchange in the United States. Accordingly, the New Mitie Shares may not be subsequently offered, sold or delivered, directly or indirectly, in the United States unless such sale, offer or delivery is effected in compliance with an applicable exemption, or in a transaction not subject to, from the registration requirements of the US Securities Act.

The New Mitie Shares will not be registered under any US state securities laws and no steps have been or will be taken to enable the New Mitie Shares to be offered in compliance with the securities laws of any US state. Accordingly, the New Mitie Shares may not be offered, sold or delivered, directly or indirectly, to persons resident in a US state unless such offer, sale or delivery is effected in compliance with an exemption from, or in a transaction not subject to, the registration requirements of the securities laws of such state.

The New Mitie Shares issued in connection with the Acquisition in exchange for Marlowe Shares that were not "restricted securities" should not be treated as "restricted securities" within the meaning of Rule 144(a)(3) under the US Securities Act and persons who receive the New Mitie Shares as a result of the Scheme which are not restricted securities (other than "affiliates" as described below) may resell them without restriction under the US Securities Act. Persons who hold Marlowe Shares which are restricted securities will receive New Mitie Shares that will be subject to the same restrictions as applied to their Marlowe Shares.

Under Rule 145(d) of the US Securities Act, any Marlowe Shareholder in the United States who is deemed to be an affiliate of Bidco or Marlowe before the implementation of the Scheme, and/or is or becomes an affiliate of Bidco or Marlowe following the implementation of the Scheme (whether or not a US Person), will be subject to timing, manner of sale and volume restrictions on the sale of New Mitie Shares and may not resell the New Mitie Shares except pursuant to an exemption from the registration requirements of the US Securities Act, or in a transaction not subject to such requirements (including a transaction that satisfies the applicable requirements of Regulation S under the US Securities Act relating to offers and sales outside the United States). For these purposes, an "affiliate" of any person is generally defined to be a person that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, that person. Marlowe Shareholders in the United States that believe they are or may be "affiliates" of Mitie, Bidco or Marlowe should consult their own legal advisers prior to any sale of the New Mitie Shares. US Marlowe Shareholders also should be aware that the transaction contemplated herein may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws and, that such consequences, if any, are not described herein. US Marlowe Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding this transaction.

The Acquisition will be subject to the applicable requirements of the Takeover Code, the Panel, the AIM Rules, the London Stock Exchange and the FCA.

The receipt of cash by a US Marlowe Shareholder as consideration for the transfer of its Marlowe Shares pursuant to the Acquisition may be a taxable transaction for United States federal income tax purposes and may also be a taxable transaction under applicable state and local tax laws, as well as non-US and other tax laws. Each US Marlowe Shareholder is urged to consult its independent professional tax adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable US and local, as well as overseas and other, tax laws.

In the event that the Acquisition is implemented by way of a Takeover Offer (subject to the consent of Marlowe and the Panel), in accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Mitie, Bidco or their nominees, or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Marlowe outside of the US, other than pursuant to such a Takeover Offer, during the period in which such a Takeover Offer would remain open for acceptances. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The statements contained in the Scheme Document are made as at the date of the Scheme Document, unless some other time is specified in relation to them, and service of the Scheme Document shall not give rise to any implication that there has been no change in the facts set forth in the Scheme Document since such date. Nothing in the Scheme Document shall be deemed to be a forecast, projection or estimate of the future financial performance of Marlowe, the Marlowe Group, Mitie or the Mitie Group, except where otherwise stated.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the tenth Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the tenth Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror before the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8 of the Takeover Code. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Takeover Code applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. If you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure, you should contact the Panel's Market Surveillance Unit on +44 (0) 207 638 0129.

In this summary of certain disclosure requirements of the Takeover Code, Business Day has the meaning given to it in the Takeover Code.
